**The Devon Historic Churches Trust
is very grateful for all those churches
listed in this Guide
who are open and actively raising funds to
assist with the very important
work of the Trust.**

**Without these funds being raised on this day
the ability of the Trust to award grants to help churches in Devon
would be significantly reduced.**

**It is important to remember
that substantial publicity surrounds this event,
both locally and nationally
and any church actively raising funds has
50% returned to them for their own use.**

**Churches that support us on this day
will therefore benefit immediately
from their support.**
